

ITC MALTA

SPONSORSHIP OPPORTUNITIES

What is ITC?

The premier networking event for distributors, retailers, traders, resellers, wholesalers, and service providers.

ITC Malta brings together over 800 decision-makers from the mobile phone, IT components, and consumer electronics industries for four days of business. The event is designed around building relationships that drive growth, with a strong buyer focus alongside sellers and service companies that keep the market moving. It's an environment where conversations turn into deals.

At ITC, trust matters. Decisions are made face-to-face, and being the company people know and can find is often what opens the next door. By bringing the industry together in Malta, ITC creates the setting for stronger partnerships and new opportunities.

“ITC Malta brings the right mix of people together. It’s where relationships grow into long-term business.”

Mohamed Aissaoui,
Sales Director
